

POWAFLEX

POWAFLEX EASY SLIDE AND CLEAN HOT WASHDOWN HOSE

Designed for washdown in dairies, abattoirs and food processing plants. This quality rubber washdown hose incorporates a specially formulated cover with features that include:

- > High abrasion and wear resistance
- > Easy to keep clean, resists chemicals, dirt and foreign materials sticking to or contaminating the hose cover
- > Easy slide, low friction, less drag. The hose slides easily over surfaces meaning less effort is required by the operator to drag, dispense or recover the hose into coils or onto reels
- > Tube: white heat resistant SBR
- > Reinforcement: high tensile textile cord
- > Cover: red or white SBR/ESC. High abrasive, chemical, vegetable oil and fat resistant
- > Length: 20 metres, 40 metres and 60 metres
